This charming 3-bed, 2-bath ranch in Colona offers comfort, space & flexibility inside & out! The main level features a good sized living room & a large eat-in kitchen with a pantry, space for a dining set, & even room for the option to add an island with extra seating. A sliding door leads to a covered back deck perfect for relaxing or dining al fresco. Down the hall, you'll find two bedrooms & a full bathroom (updated in 2017). The full basement lives like a lower level with larger windows, a finished rec room, the 3rd bedroom, a second full bathroom, & a laundry room. Outside, the partially fenced yard leads to an oversized 2-car garage with room for storage or a workshop. Notable updates include fresh paint, new flooring in the living room, hallway, & bedrooms, plus a new furnace in 2022. This move-in-ready home combines thoughtful updates with spacious living. Don't miss your chance to see it!
